

EAGLES YOUTH SPORTS

Dear Community Leader,

We are the Council Bluffs Eagles Youth Sports Association (CBEYSA), and we need your help! This is our seventh season and we have become one of the areas premier ball clubs. This year we will field at least 8 teams consisting of many young athletes ranging from 8-14 years of age. Each team plays in league games and participates in several tournaments throughout the surrounding states.

We strive to enrich young lives while promoting good sportsmanship and reinforcing a safe and healthy athletic environment. It is our goal to keep the costs low so that every young athlete who wants to play can, without having to incur any undue financial burden. The money they raise through banner or web page advertising is contributed directly in their account. 100 percent of this money goes toward her registration fee and uniform cost. The money you contribute may be tax deductible, due to CBEYSA being a Non-Profit organization.

We believe that being active in our community is essential to building strong community pride. Your support can be tailored anyway you would like to support our organization. One way to accomplish this is through advertising on all of our teams' banners.

We thank you for your consideration in sponsoring our organization. If you have any questions concerning our program please feel free to call Jay Manifold at 712.256.2400 or check out our website at www.cbeagles.org.

Again, thank you for your consideration and we hope you will be able to support our efforts.

Sincerely,
