I will lead by example in demonstrating fair play and sportsmanship.

I will respect the integrity and judgement of game officials.

I will recognize the individual worth and self-image of each athlete.

I will encourage and assist players in setting personal goals for athletics and academics.

I will strive to develop leadership, initiative, and good judgement in my players.

I will create a set of training rules which reflect the positive values of abstaining from alcohol, tobacco and other drugs.

I will reinforce positive lifestyle choices through my own choices.

I will review and practice the prevention and care of athletic injuries.

I will do my best to provide a safe practice and playing environment for the athletes I coach.

I will be modest in victory and gracious in defeat, and teach my players the same.

I will strive to improve my coaching and "people" skills through professional development.

I will communicate program goals and objectives to athletes, parents and community.
